PA = Phonemic Awareness P = Phonics V = Vocabulary F = Fluency TC = Text Comprehension

ELL SUPPORT: Every magazine incorporates proven strategies for effective instruction of ELL students. Examples include the following:

- Reinforce essential reading skills with a focus on vocabulary building.
- Promote verbal interaction.
- Integrate literacy instruction with standards-related content knowledge.
- Present major concepts in clear, uncomplicated terms.
- Relate content and concepts to students' lives.
- Promote cultural connections.
- Encourage reading to support thematic studies.
- Provide authentic reading experiences.
